

Ariana

Adorable Ariana is between 3-5 years old and weighs about 8 pounds. Although she is a world class cuddler, she is a sweet but shy girl looking for the perfect person to go slow and earn her trust. She loves treats and will do the cutest little dance in anticipation of a treat or to welcome her foster back home after a brief absence. Ariana loves to explore the back yard and go for walks with the other dogs in the home around her neighborhood. When going places that she is unfamiliar with, she would prefer to be carried in a front pack. Ariana would do best in a quiet home - adults only or with respectful children 12 years and up. She also needs her new person to help to continue building her confidence by slowly exposing her to new things. It is important that the person that adopts Ariana is around quite a bit as she does love to be with her person.
