

Bob

Bob is an old soul looking for his forever home. He is a 6 year old lab mix who loves to go for walks, hikes, and short runs. Bob also enjoys hanging around the house and yard with his people. He is house trained, rides well in the car, knows basic commands and walks nicely on the leash. Bob is not destructive and sleeps on his dog bed at night and can be left free in the house unsupervised. Bob has no experience living with children but has had positive interactions with children outside the home. He is not good with cats. Bob needs a home with a fenced yard (not invisible/electric fence), as he likes to explore and follow his nose. He will do best in a home where he doesn't need to be left alone regularly for long hours and he probably love it if he was the only dog in the home.
