

Bob

Bob is a 6-7 year old lab mix looking for his forever home. He is very affectionate and loves to cuddle and play tug of war. Bob enjoys walking, hiking, and running and is working on his leash skills (pulls initially, but settles down thereafter). He rides nicely in the car and is not destructive when left home alone. He sleeps on a dog bed at night (but would love to sleep on your bed if there is room). Bob likes to follow his nose and needs a home with a fenced yard (not invisible/electric fence). He gets along with most dogs (but does not know quite what to make of barking, charging little ones). He is not compatible with cats and does not have experience with children in the home. He is alert and protective of his home and people.
