

# Cade

Cade is a high energy, playful dog - very puppy like. He gets along with other dogs but he is a little shy with people when he first meets them. Cade enjoys playing with his toys - especially squeaky toys! He also enjoys car rides and loves, loves, loves his walk. A daily walk is a must for this boy. Once he gets to know you, Cade is very affectionate with his people. Cade would do best in an active all adult family or with a family with respectful children 10 years old and above.
