

# Charley

Meet Charley, a cute and scruffy Shih Tzu/Terrier mix. Charley is a sweet and loving little guy, but can be a little shy at first. Charley loves to go on walks and does great in the car. He has a lot of spunk and energy for an 8 yr old dog. Charley would love to be in a home with other dogs and needs a secure fenced yard. Charley would do best with children 8 years and older. Can you provide Charley his forever home?
