

Cloud

Cloud is such a perfect dog. He has a fantastic disposition. He's a poodle mix with soft, curly hair. He weighs 15 pounds and is about 2 years old. He loves people as well as other dogs. Cloud likes to get out and about. He is potty trained and walks well on the leash. He likes the older neighborhood kids and lets them play and cuddle with him. He likes to be with his person so no long hours alone for him. Cloud will make someone a great companion. Cloud would do best in an all adult home or a family with kids 8 years old and up.
