

Dixie

Sweet Dixie is about six months old and weighs about 9 pounds. She loves to cuddle, and play hard with the other dogs in her foster home. She also likes to go on car rides and meet new people. She is friendly and outgoing. Dixie still needs a bit of work on the leash but that is because it is fairly new to her. Her favorite thing is to cuddle. Because she is still a puppy, she needs appropriate things to chew on and regular exercise. A class would be good to continue her training and socialization. Dixie would do best in an all adult home or a home with respectful children 8 years and older
