

Dobby

Hello! My name is Dobby. I'm a young girl about 6 months old. I'm full of energy and a zest for life! So far I love everyone I meet and enjoy meeting new dog friends that are polite. I have never met a cat though. My foster mom has some chickens that enjoy chasing a bit but never get close enough to hurt them!

I really like to have plenty of toys--I drag them all out and show them off! I'm getting pretty good at pottying outside; my foster mom says I'm a solid 95 % house trained. I would really enjoy a small doggy playmate in my forever home and I definitely would want to sleep with my new parents. I sleep through the night with no problems and don't take up much space at all! I do not do well kenneled or locked up but I never ruin anything when I am left home alone for a short bit unless it's tissues, I love to shed those! I love bullysticks--they are my very favorite treat.

I need a home where someone is home most of the time to help me learn and take me on frequent potty breaks. Because of her small size, Dobby needs an all adult home or one with children 7 years or older. She also needs a securely fenced yard (not invisible/electric fence).
