

# Dylan

Dylan is a 1 year old, beautiful red and white Terrier mix with the most gorgeous deep brown eyes. This little man has a zest for life and loves everyone. He is a very smart, energetic little dog that loves to please his people. He would be a great dog for an active family or someone who is involved with agility and would be able to train him to compete. He is a good listener, very athletic, loves to run and can jump over things with great ease. He currently lives in a home with three other small dogs and an 8 year old girl whom he loves to snuggle with by the fire. Dylan is very creative, smart and athletic and loves to take walks in his neighborhood by himself. His new home must have a secure fenced yard so he can run and play outside with his people and hopefully another dog friend. He does not care for the foster's cat and will chase.
