

Holt

Holt is an adventurous 10 week old Basset Hound mix puppy. He is a well balanced pup with a sweet personality. Holt loves to play with his toys and to explore the yard at his foster home. However, he is a snuggle bug and loves to be held by his human. Just an amazing little guy. Holt's mom is a beautiful Basset Hound mix. She weighs about 47 pounds. We do not have any information on the dad. Holt would do best in an all adult home or a family with respectful children 8 years and older. He needs a home where someone is around most of the time to potty train him and to give him the attention a small puppy needs to grow into a happy, well mannered dog.
