

Jalen

Sweet, playful Jalen is six months old and weighs 20 pounds. He is learning to walk nicely on the leash but still needs some work. He loves to chase balls and play with his toys. He plays nicely with the other dogs in his foster home. Jalen loves to learn and is learning some basic commands. He also rides well in the car. He still has his puppy ways so it is important to have appropriate things for him to chew. He likes to cuddle and hang out with his humans. Jalen would do best in an active adult household or in a family with respectful children ages 8 years and above.
