

Lacy's Lovables

Taking applications on the LOVABLES! The pups are now 6 weeks old, will be small and looking for their forever homes. These are active pups exploring everything about their world. They are playful and love their stuffies and rubber toys.

They need a family that is home who will continue their socialization and training. Due to their small size, children 10 yrs and above are recommended.

LOWEN and LUCA are the boys while LOVIE, LEXIE, LYKA and LINDY are the girls. Our best guess on breed is long hair Chihuahua / Papillon mix.
