

# Lelo

Little Lelo is 7 pounds full of sweetness, playfulness, and love. Such a happy girl with her tail always wagging. Lelo has lots of energy and loves her walks. She gets along with other dogs and likes every human she meets, although very young children make her a bit nervous. Lelo is also okay with her kennel for quiet time and likes car rides. She is always up for adventure. She enjoys playing with toys, especially her stuffed bear. Lelo is also fond of braided chewy sticks and crunchy treats. She is a puppy so needs appropriate things to chew on. She loves to take off and just run around the house with joy. Lelo would do best in an active adult only home or with respectful children ages 10 years or older.
