

Leona

Greetings! My name is Leona. I came to my foster mom already house trained. No accidents for me. I enjoy meeting gentle people and almost always warm up to other dogs off leash. I only bark to alert my foster mom that someone is at the door or in the yard. I love bully sticks and marrow bones. Yum. I am really good at doing dog puzzles too. I love going for walks and I enjoy exploring the fenced yard while foster mom is out gardening. In the car, my favorite place is riding shotgun. Chill, sweet and loving, I have been described as the best blend of a small and big dog personality. Leona would do best in an all adult home or a family with respectful children ages 8 and older.
