

Lucy

Hi, my name is Lucy. I am a 45 lb Golden Retriever mix approximately 3 years old. I had a hard start to life in Texas living on the streets but am now in a safe and loving foster home in Bremerton, Washington waiting to find my forever home. I am good with other dogs, but I am just learning to play with them. I love to go on walks and am good on leash. I am interested in cats and will sometimes chase them, but just want to play not hurt them and sometimes I nap with my foster family's cat. I am good with kids and have been very respectful of them. I am so sweet, love to cuddle, and have my tummy rubbed. Lucy loves human companionship so will do best in a home where she does not need to be left alone long hours. She also needs a home with a fenced yard (not electric/invisible fence).
