

# Rosita

Rosita, an easy-going , playful pup is ready to join your life. She is about a year old and 16 pounds. Rosita likes to receive belly rubs and snuggles and give kisses in return. She loves to play, both with people and on her own: pouncing, chewing, and showing off her jumping skills. She is smart, learns quickly, and walks nicely on a leash. She also rides well in cars and is ready to go on adventures. She is shy when she first meets other dogs but she is soon interested in playing with them. Rosie would do best with an active all adult home or in a family with respectful children ages 8 years old and older.
