

Tilky

Isn't she a cutie? Her name is Tilky and she is a beautiful silver beige and brown with unruly hair! Tilky weighs 14 pounds and is about a year old. She is playful and will even do some self entertaining with her stuffed toys if no one else wants to play. She loves cats and gets along with other dogs. Tilky likes her walks and enjoys car rides. She is also a very good cuddler. We are looking for a home that has a fenced yard as she has so much fun exploring her foster's fenced yard. Tilky would do best with an all adult household or a family that has respectful children ages 10 years old and up.
