

Wheeler

Hi, I am witty WHEELER, a go with the flow guy. At just 4 months old, I am very smart. Just look at that face revealing a fun typical pup. I will be a medium size, 30-50 lbs., I need a fenced yard, no electric fence, and no apartments. I would do best with an active all adult household, or with respectful children 10 years and older. Are you my forever family?
